Welcome to the Cornwall FA Coach Education Newsletter!

Welcome to the second edition of Cornwall FA’s Coach Education E-Newsletter, a publication bringing you all the latest news, stories, course updates and much more from around the County.

There are many great events and courses across Cornwall for yourself, coaches, parents and helpers at your club to come along to. We have a great range to choose from across the County and we will continue to run new and varied events throughout 2019.

Step up the coaching ladder with the FA Level 2 Course…

We are delighted to be running an FA Level 2 Course in Camborne beginning in June. This nationally recognised qualification, awarded by 1st4sport Qualifications will take you on a journey through the core components of the England DNA – How We Coach, How We Play, How We Support and The Future Player, helping you to begin shaping or refining your own coaching philosophy. The course is made up of 20 guided learning, face-to-face workshops covering a range of topics linked to the England DNA, split into three blocks of learning. You will also receive up to two support visits between blocks to develop you in your own coaching environment.

The course cost is £270*, to book your place or find out more information click HERE

*There are a limited number of bursaries up to £100 available for this course, please contact us for more details.
The female game mentoring programme is designed for coaches working within the female game who would like to have specific support from the FA coach mentors around working with female players. Coaches can be female or male and should be enthusiastic about improving themselves. As part of the programme there are events which are delivered by FA Mentors/ Tutors, the two upcoming events are below…
